**COMPLETION AND LAUNCHING OF MICRO-GRID ELECTRICITY SUPPLY ON PULAU
UBIN**

The Board of Directors of OKH Global Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that the wholly-owned subsidiary of the Company, OKH Holdings Pte. Ltd. together with Daily Life Renewable Energy Pte Ltd had jointly completed and launched the micro-grid electricity supply incorporating biodiesel and solar photovoltaic technology for the Energy Market Authority (“**EMA**”) on Pulau Ubin (the “**Project**”).

The Project is part of an EMA test-bed to assess the impact of intermittent energy sources on grid operations and it would support the Company’s regionalisation plans to develop and promote Remote Area Power Utility Services as a sustainable business model in Singapore. For further information, please refer to the accompanying press release.

The Project is not expected to have any material impact on the consolidated net tangible assets per share and consolidated earnings per share of the Group for the financial year ending 30 June 2014.

None of the Directors, Substantial Shareholders or Controlling Shareholders of the Company have any interest, direct or indirect, in the Project.

BY ORDER OF THE BOARD
